

Product Specification Sheet

Special Edition Notebook Skin – Spectrum Circles

Part #: TSS021EU

Product Description:

Part of the Special Edition series of skins – The Spectrum Circles slipcase is a black neoprene notebook skin with a unique and colourful screen printed design.

This notebook sleeve is made of durable elastic neoprene that expands to hold your notebook snugly. The skins allow you to transport your notebook in a lightweight style, or can be used to provide additional notebook protection when used in conjunction with your standard notebook case.

Product Features and Specifications:

- Compatible with 15 and 15.4 inch notebooks
- Protection: Offers notebook protection from scratches and dents in a lightweight style
- Material: Real Neoprene offering elasticity and durability
- Can be used as a pouch for insertion into another Targus carrying case or as a cover for your notebook when packed away at the end of a day
